Chanukah Message

- Welcome and introduction
- For the medical staff that have joined us here, today is about you! We hope you get the chance to unwind and have some Chanukah fun, and know that you are part of a community who appreciates and supports you.
- Story: In ancient times, there was a king looking for a match for his daughter, but he only wanted someone with great wisdom. So the king made a contest: He emptied out a large room in the palace, and announced that the man who could fill the room most quickly would win his daughter's hand. The first man arrived and filled the room with large boxes; the second covered the floor with papers; and the third, balloons. As the room was large, each person took quite some time. Finally, someone entered the room with his hands empty. He extinguished the light, closed the curtains, and then took a match box from his pocket. With one strike, the entire room became full of light.
- The message: the smallest amount of light can dispel much darkness. We light the Chanukah candles after it gets dark to show us that the light of Chanukah candles are there to dispel and chase away the darkness.
- Explaining the theme: "It's your CARE that lights the world." Each one of you here is a source of light, helping so many others in their time of need. You are saving lives and saving worlds. Not only physically, but spiritually as well.
- It says that one soul is equal to an entire world. We all come from the same Creator, which makes us all one. By showing your care, giving yourself over and bringing light to one person's life, is really bringing lots of light to the entire world, making the world a brighter place.
- Story: A boy is walking along the beach picking up shellfish, one by one putting them back into the water. A man passes by and asks, "What are you doing? You think you can save the world like this?" The boy responded, "I might not be able to save the world but the ones that I do save make a world of a difference!"
- For all those people that you save and for all those that you have light up their lives, you are making a world of a difference!
- Thank you medical staff for bringing so much light to people in their personal lives and to the entire world.

Doughnut Decorating

INGREDIENTS

- Plain doughnuts

For the glaze:

- 1/4 cup whole milk (or almond, oat)
- 1 teaspoon vanilla extract
- 2 cups confectioners' sugar

For the toppings:

- Fruity breakfast cereals
- Mini chocolate chips
- Chocolate shavings
- Chopped pretzels
- Freeze-dried berries
- Coconut
- Mini marshmallows
- Cookie crumbs
- Graham cracker crumbs
- Gummy candies

For the Frosting

- 3 cups powdered sugar
- 1/3 cup butter, softened
- 1 1/2 teaspoons vanilla
- 1 to 2 tablespoons milk

Filling:

- Custard, Jam, Jelly, Chocolate paste

STEPS

For Glaze:

Combine milk and vanilla in a medium saucepan and heat over low heat until warm. Sift confectioners' sugar into milk mixture. Whisk slowly, until well combined. Remove the glaze from the heat and set over a bowl of warm water. Dip doughnuts into the glaze, 1 at a time, and set on a draining rack placed in a half sheet pan for 5 minutes before serving.

For Frosting:

In medium bowl, mix powdered sugar and butter with spoon or electric mixer on low speed. Stir in vanilla and 1 tablespoon of the milk. Gradually beat in just enough remaining milk to make frosting smooth and spreadable. If frosting is too thick, beat in more milk, a few drops at a time. If frosting becomes too thin, beat in a small amount of powdered sugar. Frosts 13x9-inch cake generously, or fills and frosts an 8- or 9-inch two-layer cake.

TIP:

Prepare the glaze beforehand, and store in the fridge until the event.

Be creative and have fun!
